TESTIMONIES

“Just wanted to say I got baptised almost 3 weeks ago. Thank you for being part of my journey. Think it’s the song 'It's time', it kept pushing for more, when it says I don't want to be Lukewarm. Every time it came on, it just reminded me to search more for Christ and spread his love. Not to learn about him and stay at home.” — **Andrew, England**

“There was a lot going on in my life, the more I prayed and fasted it got worse until I told myself not to believe in God, it was pointless praying and believing.. it was pointless to have belief in God, but yesterday you guys brought me back to God. I realised I was lost and I was so touched. Thank you so much and may the dear Lord continue to bless you.” — **Tafadz, Australia**
